

**REMARKS**

Receipt is acknowledged of the Office Action mailed March 4, 2004, which stated that Applicants' reply filed on December 21, 2004 was not fully responsive. In the Office Action mailed October 21, 2004, the Examiner stated that the application was in condition for allowance, and requested full compliance with 37 CFR 1.8121-1.825.

Applicants submit that this request has been satisfied by: (1) the forgoing amendments to the specification, (2) a paper copy of a Sequence Listing [13 pages] , (3) a computer readable form of the Sequence Listing, and (4) a Statement to Support Filing and Submission in Accordance With Under 37 C.F.R. 1.821(c) and (e), filed herewith.

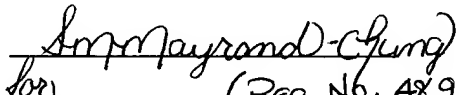

The forgoing amendments are made to insert the required SEQ ID NO identifiers associated with each listed sequence. No new matter is entered.

In view of the above amendment and remarks, applicants respectfully request that all objections and rejections be withdrawn and that a notice of allowance be forthcoming. The Examiner is invited to contact the undersigned attorney for applicants at 202-912-2111 for any reason related to the advancement of this case.

Respectfully submitted,

Date: April 4, 2005
